

NATIONWIDE MANUFACTURER OF KITCHEN AND BATH CABINETS
SINCE 1937

Warranty

Kitchen Kompact, Inc. warrants to the purchaser of Kitchen Kompact cabinets that any part, which proves to be defective, within one year from the date of installation, will be replaced to the distributor without charge.

Wood Characteristics & Painted Finishes On all wood products, expansion, contraction and warping are typical due to changes in climate conditions. Painted finishes may develop slight separation lines, finish breaks and seam lines. These changes will be most noticeable at stiles, rails and panel joints. Painted and stained finishes are also susceptible to changes in color due to exposure to natural light, extreme heat, smoke, abrasive cleansers, etc. The changes may become more noticeable over time and through seasonal changes. These changes are normal and are not considered quality defects. This warranty does not extend to normal wear and tear, or to damage by circumstance beyond the manufacturer's control and does not include any replacement labor. Any alterations to the structure of the cabinets, or its parts will void this warranty.

If any such part is claimed defective, claim should be referred to the distributor from whom the Kitchen Kompact cabinets were purchased.
