

NATIONWIDE MANUFACTURER OF KITCHEN AND BATH CABINETS
SINCE 1937

To whom it may concern:

At Kitchen Kompact, we are proud to be an USA-made and USA-sourced kitchen cabinet manufacturer, and we are pleased to confirm that our products meet the necessary certifications for compliance with the Build America, Buy American (BABA) Act.

Our cabinets are manufactured in Jeffersonville, IN, and we ensure that our raw material is well over the 55% of the cost of our components is sourced and processed in the U.S.-exceeding BABA's requirements for manufactured products.

We are committed to full transparency, and we will gladly provide any documentation or certification needed to demonstrate compliance with BABA standards for your federal housing projects.

Please do not hesitate to contact us if you require further information or specific documentation regarding our products.

Thank you for considering Kitchen Kompact. We look forward to the opportunity to supply the American people with affordable USA made and USA sourced kitchen cabinets!

Sincerely,

Kitchen Kompact Inc.
